### **Live Showcases to be Featured at NPF**

The Fall National Postal Forum has so much to offer, from **General Sessions**, to **Workshops**, to **Guest Speakers**, to **Networking Events**, and **Exhibit Booths**. Something new we have added are **Showcases** – live, interactive events, featuring the leadership team from the four Postal Areas (Atlantic, Central, Southern and WestPac) among others.

The four **Postal Service Areas will hold scheduled live showcases** featuring Area Vice Presidents, District Managers, and leaders of Postal Service operations functions. Please refer to the **Area Showcase Schedule** below to plan your attendance accordingly. It's not every day you get this many postal leaders in one location. You won't want to miss any of these live sessions that correspond to your physical location(s) in the USA and beyond. Attend these sessions to ask questions and learn about peak planning and operational updates.

Additionally, the **Postal Customer Council (PCC) Advisory Committee will be hosting two brief live showcases** at the PCC booth on Tuesday, September 21, from 12:15 PM to 12:30 PM ET, and also on Tuesday, September 21, from 12:45 PM to 1:00 PM ET. If you are not a PCC member, come find out how your local PCC can improve your business with the Postal Service through knowledge, networking, and resources, at no charge.

Make the most of your NPF experience, make connections that matter!
