2024 NPF Registration Now Open

Join us for the 2024 National Postal Forum (NPF) at the Indiana Convention Center and explore the intersection of USPS innovation and Industry expertise. Optimize your mailing and shipping operation, while forming meaningful and impactful industry connections.

NPF is the largest shipping and mailing conference in the nation and the only place where you will hear from the Postmaster General (PMG) and his executive leadership team on the changes taking place to position the Postal Service as an engine of American commerce and the preferred shipping partner at every American business and residence. NPF will feature an PMG Keynote Address, officer-led sessions, over 100 workshops, state-of-the-art exhibit hall, certifications, networking events, and a special PMG Town Hall.

NPF takes place June 2-5, 2024, in Indianapolis, Indiana so don't delay – register now for “early bird” pricing and secure up to \$500* in discounts – including up to \$300 in early registration discounts, a special \$100 PCC member discount, and an additional \$100 off a full or three-day registration when you book your hotel stay through NPF.

For details on how to register for the forum please visit [NPF.org](https://www.usps.com/npf).
