## Postal Service Launches Eight New Sorting and Delivery Centers

The Postal Service will launch eight new sorting and delivery centers (S&DC) around the nation on June 1, 2024. The Postal Service will expand three existing S&DCs with additional 5-Digit ZIP Codes between May and June 2024. These S&DCs are an integral part of the Postal Service's Delivering for America plan to create a best-in-class processing and delivery network.

The S&DCs will revitalize our network of nearly 19,000 delivery units — the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs — leveraging both repurposed and new facilities — to simplify the entire network and create a more reliable and efficient network.

The schedules for the new S&DCs launches are listed below with the ZIP Codes they will serve:
