## Postal Service Leadership Changes

Postmaster General and Chief Executive Officer, Megan J. Brennan, has announced the following leadership changes:

Jeffrey (Jeff) C. Johnson has been named Vice President, Enterprise Analytics, effective July 20. He has been acting in this role since January 19, 2019. Jeff has successfully championed our Informed Mobility initiative and is continuing to lead efforts to bring artificial intelligence (AI) capabilities to the organization.

Pritha N. Mehra has been named Vice President, Information Technology (IT), effective July 20. She has been acting in this role since January 19, 2019. Pritha will lead the Postal Service's Computer Operations, IT Applications and Solutions Development, Enterprise Network Access, and IT Performance Management groups.

Marc D. McCrery has been named Vice President, Mail Entry and Payment Technology, effective July 20. He has been acting in this role since January 19, 2019. Marc will be responsible for leading the Postal Service's mail preparation and payment support to commercial customers, and continuing the transformation of our commercial mailing and shipping channels.
