I hereby certify that all information on this application is accurate and correct. I also certify that the responses provided on the MASS certification test deck will be obtained using the same configuration as used in the processing of customer/client address files and that any modification to the products used to process this test will require retesting and recertification prior to use or release. The MASS test deck will be processed in-house with company-owned or leased software/hardware. I further certify that this address-matching product contains technology that disables access to outdated U.S. Postal Service data as stated in the <i>DMM</i> ® 602.9. CASS/MASS certification scores are confidential information and the applicant agrees not to disclose scores								
achieved on their passing test for the purpose of marketing their software or hardware product.
