Updated: Guide to Move Update

The Move Update standard is a means of reducing the number of mailpieces in a mailing that require forwarding or return by the periodic matching of a mailer's address records with change-of-address orders received and maintained by the Postal Service. The *Guide to Move Update* provides the mailing industry with information, resources and tools that help to meet the Move Update Standard.

The *Guide to Move Update* has been updated and posted on PostalPro at: <https://postalpro.usps.com/address-quality/moveupdate>

Below is the list of changes made in this version:

1. Updated the web site links provided throughout document
2. Removed obsolete "ACS Profile" references
3. Inclusion of ACS "Green & Secure" and Secure Destruction service options information
4. Content updated for clarity and removal of duplicated information
5. Appendix 3 was updated to include the Legal Restraint Authorization process
6. Updated Appendix 4 99% Accuracy Testing information
