2019 National Postal Forum: Partnership Recognition Luncheon Speaker Announcement

CELEBRITY SPORTS AGENT – MOLLY FLETCHER – SPEAKS AT NPF 2019

Molly Fletcher - known in sports entertainment circles as the female Jerry Maguire – is scheduled to speak at racing capital Indianapolis this May at NPF 2019.

The former sports agent, CEO, and motivational speaker will speak during the highly anticipated Partnership Recognition Luncheon on Wednesday, May 8, recognizing USPS customer award winners, and NPF sponsors and partners.

NPF takes place May 5-8, 2019, in Indianapolis, IN. The forum features 100+ educational workshops, 100+ exhibit hall vendors, many officer led sessions, and the keynote address by the Postmaster General. The Early Bird Registration discount for this event ends March 1, 2019.

As one of the first female sports agents in the industry, Ms. Fletcher delivers a powerful message about how she found success in her field, what it takes to succeed and lessons learned from her years of experience.

In the world of professional sports, her clients have included Tom Izzo, Ernie Johnson Jr., Matt Kuchar, Doc Rivers, John Smoltz, Erin Andrews, Billy Donovan, and Joe Theismann.

She is an author of four books, including her most recent, *Fearless at Work*.

Ms. Fletcher will share with the mailing industry her insights into leadership, business, development, and peak performance.

The Partnership Recognition Luncheon annually recognizes leaders in the industry for their innovation in the mail. Each year, at the luncheon, the Postal Service also bestows the coveted Partnership for Growth award, which is given at NPF to recognize a strong mailing industry contributor that drives innovation and growth using the mail.
