

# **Threshold Report for the 2019 Earned Value Promotion**

**Revision on 2/6/2019**

1. Navigate to the **Business Customer Gateway (BCG)**:

<https://gateway.usps.com>

Then you will follow the next two steps to review your **2018 Threshold** for the **Earned Value Promotion**:

2. From the Mailing Services page you will select the [Incentive Programs](#) module link and then

3. Click the **2018 Threshold for 2019 Earned Value Program**

Now you are in the **2018 Threshold for 2019 Earned Value Program**

4. Click on **View Activity Report** from the middle of the page or Click **Activity Report** from the left-hand column

The screenshot displays the USPS Gateway interface for the 2018 Threshold for 2019 Earned Value program. The user's enrollment status is **ENROLLED**. The left-hand navigation menu includes: Program Summary, Additional Contact Information (Complete), Locations (Complete), Mailer IDs (Complete), Share Mail Mailer IDs (Complete), **Activity Report (Incomplete)**, and Permit Balance (Complete). The main content area shows an overview of the program and a list of enrollment steps, all of which are marked as complete. Under the "My Activity" section, there are two links: "View Activity Report" and "View Permit Balance Report". Both of these links are circled in red, indicating they are the target of the instruction.

**Program Summary** Earned Value Detail Report

In the table below you will see the mailpiece counts for April through June 2018 for each MID. These volumes are used to determine your threshold for participation in the 2019 Earned Value Promotion. Thresholds are calculated at the CRID level. If there are multiple MIDs linked to a CRID, the BRM, CRM and Share Mail \* pieces are totaled to determine one threshold for the CRID. The 95% threshold is calculated on the total piece count for each CRID.

\* Share Mail piece counts will be available after the next software Release in mid-March.

2	0	0	3,283,412	3,119,242
0	3,865	0	3,865	3,672

The "Total by CRID" and "95% Threshold" columns at the end will have the sum total of the MIDs associated with that CRID -- the same total and threshold amount will appear on each CRID line. In the case above, the mailer has 2 MIDs that are attached to the same CRID (0408572). Note how the Total By CRID and 95% Threshold appear on both lines. These figures are the total of both MIDs that are associated with that CRID
