INDUSTRY ALERT

April 17, 2020

New IMb Political Mail Service Type IDs For Letters & Flats Effective July 27, 2020

Political mail continues to be a top priority within the United States Postal Service and we remain steadfast in our commitment to the democratic process and the election community. The Postal Service has made the following improvements to ensure the accurate and timely processing of Political mail. Effective July 27, 2020 the following new Service Type IDs (STIDS) will be available for use in preparing Political mail. Use of these new STIDS will allow for Informed Visibility Mail Tracking and Reporting (IV-MTR) that will uniquely identify Political mail during mail processing. These STIDS are for Political mail only. *(Please note the definitions of political and **election/ballot** mail below.)*^[1]
