INDUSTRY*ALERT*

September 18, 2020

REMINDER: Product Tracking & Reporting – System Release 20.4.3 – September 19, 2020

Product Tracking and Reporting has scheduled release maintenance as follows:

Start time: Saturday   September 19, 2020   8:00 PM ET US
End time: Sunday   September 20, 2020   2:00 AM ET US

- Inbound Shipping Services manifest files, Shipping Partner event files, and Operational tracking event data will continue to be received during this time but will experience a delay in processing.
- Outbound Scan Event, Confirmation Error Warning, and Postage Statement Extract file extract processes will be held and will resume at maintenance conclusion.
- USPS Tracking information may be stale and temporarily unavailable.

Please direct any inquiries or concerns to the *Product Tracking and Reporting* via email (IMpb@usps.gov).
