## **REMINDER:** Rollback of Time-Limited Pricing – *Sunday, December 27, 2020*

This Sunday (*December 27, 2020)*, the United States Postal Service (USPS) will implement the scheduled rollback of Time-Limited Pricing which reflects in the following Commercial Systems:

- Package Platform
- > PostalOne! System

As you are aware, Time-Limited Pricing is effective October 18, 2020 through <u>December 26, 2020</u>. The planned temporary price adjustments were in response to the increase demand for on-line shopping package volume due to the Coronavirus Pandemic and expected Holiday eCommerce. Accordingly, all Commercial domestic competitive package volume is impacted which includes Priority Mail Express, Priority Mail, First-Class Package Service, Parcel Select, and Parcel Return Service.

**NOTE**: Retail prices and international products were unaffected. Also, there were no structural changes or postage statement changes associated with this temporary rate change which ends on **Saturday, December 26, 2020**.

Again, effective this **Sunday, December 27, 2020**, Time-Limited Pricing will end and prices will rollback. For USPS Pricing information (*effective 12/27/2020 through 01/23/2021*), please visit USPS.com - *Postal Explorer* via the following link: <u>http://pe.usps.com</u>.

All Business Service Administrators (BSAs) should alert their impacted stakeholders.

Direct any inquiries or concerns to the *PostalOne!* Help Desk via eMail (<u>postalone@usps.gov</u>) or telephone (1-800-522-9085).
