

The Seamless incentive provides an incentive to the Electronic Documentation (eDoc) submitters (with a qualified Seamless CRID and an Enterprise Payment System Account) for adoption of the Seamless Acceptance program.

The incentive is based on the eDoc submitter's Customer Registration ID (CRID). A Seamless Mailer is defined by their CRID's status in PostalOne! as "Seamless Acceptance." **Note:** Seamless Parallel does not qualify for the discount.

The incentive allows Electronic Documentation (eDoc) submitters to receive a Seamless Acceptance incentive of \$.001 for the pieces that qualify for Full-Service prices in the mailing, provided the eDoc submitter has an Enterprise Payment account that is used for the incentive.

1. Beginning January 10, 2021, log Into the Business Customer Gateway:

<https://gateway.usps.com/eAdmin/view/signin>

2. Under Mailing Services, Go to the service called Manage Permits (BSA or Delegate Role Required for Manage Mailing Activities)

The screenshot shows the USPS Mailing Services dashboard. On the left is a vertical navigation menu with the following items: Welcome, Inbox, Mailing Services (highlighted), Shipping Services, HCR Services, Other Services, Support, and Manage Account. The main content area is titled "Mailing Services" and includes a brief description: "Mailing services help you deliver letters and flat mail pieces. Mailing online services will help you manage day-to-day activities from design and preparation of your mail to tracking your mailings in the mail stream. The services currently available are listed below. You may access services directly from here that you have been approved for and request access to those you do not." Below this is a "Your Locations:" dropdown menu set to "All Locations". A list of services follows, each with a "GO TO SERVICE" or "GET ACCESS" button. A red arrow points to the "GO TO SERVICE" button for "Manage Permits (PostalOne!)".
