## USPS To Hold Pre-filing Conference on Proposed First-Class Package Service Standard Changes June 8

The Postal Service will hold a Pre-filing Conference on June 8, 2021 from 1 p.m. to 3 p.m. EDT, regarding its proposed First-Class Package Service (FCPS) Service Standard Changes, 2021. If the Postal Service determines to move forward with a proposal to change service standards for FCPS, it will do so in an active, docketed case before the Postal Regulatory Commission. Due to the current COVID-19 situation, the Postal Service will hold a virtual conference, rather than an in-person conference. Representatives of the Postal Service capable of discussing the policy rationale behind the Postal Service proposal will be made available at this time.

In order to participate in the June 8 Pre-filing Conference, individuals must register by June 1, 2021 at 5:00 pm. EDT. Information and instructions regarding how to register for the virtual Pre-filing Conference may be found at <https://about.usps.com/what/strategic-plans/delivering-for-america/#conference>.

Space is limited.
