Mailing & Shipping Solutions Center (MSSC) to Merge With the *PostalOne!* Helpdesk

Effective **July 1, 2021**, the external *PostalOne!* Helpdesk will merge into the Mailing & Shipping Solutions Center (MSSC). Customers will need to contact the MSSC with any *PostalOne!* issues. The current *PostalOne!* help desk number of 1-800-522-9085 will automatically forward to the MSSC @ 1-877-672-0007. In the Interactive Voice Response (IVR), customers will select option 2 (MSSC) and then option 3 (*PostalOne!*) for assistance.

The current email address PostalOne@usps.gov will remain active and be routed to the MSSC.

Previously, external customers would contact *PostalOne!* concerning Mail.dat/.xml issues, BCG resets, and technical issues within the *PostalOne!* program. Effective July 1, 2021, these issues should be directed to the MSSC.

Mailers experiencing an issue/outage with their system during normal business hours must contact the MSSC via phone or email to receive a ticket. Mailers experiencing an issue/outage with their system outside of normal business hours must contact the Mailing Shipping Solution Center via email at MSSCAdmin@usps.gov to initiate a ticket. It is important to note that this only applies when a mailer experiences an issue with their system. Mailers do not have to contact the Mailing Shipping Solution Center during a USPS issue/outage.

Mailing and Shipping Solutions Center Contact Information during normal business hours:

- Phone: (877) 672-0007

***Note:** The MSSC hours of operation are from **Monday-Friday 7AM-7PM CST**.
