Revised Service Standards for First-Class Package Service to Occur After the Holiday Shipping Season

In light of the ongoing environment caused by COVID-19 and the rise of the Delta variant affecting our customers, the implementation date for the revised service standards for First-Class Package Service will be announced after the holiday shipping season.

In April 2020, the U.S. Postal Service instituted an extra day for Priority, two and three day, and First-Class Package Service standards to account for the impact of the COVID-19 pandemic. That extra day will remain in place until further notice.
