

United States Postal Service®

INDUSTRY ALERT

October 3, 2021

[TIME-LIMITED PRICE CHANGE 2021] COMPLETED: System Releases – *Sunday, October 3, 2021*

As previously advised, in support of **Time-Limited Price Change 2021 effective TODAY (Sunday, October 3, 2021)**, the United States Postal Service implemented software updates for the following systems:

- *PostalOne!* System Release 53.1.1.0*
- Package Platform Release 2.8.0.0

During implementation and validation activities, system access **WAS NOT** impacted.

***REMINDERS: PostalOne! System Release 53.1.1.0**

- No NEW Mail.dat Client required.
- In addition to Time-Limited Price Change 2021 content, the **Parcel Return Service (PRS) Postage Statement Summary Report** was updated to include the Enterprise Payment System (EPS) Transaction ID. PRS mailers who have transitioned to EPS from the Centralized Account Processing System (CAPS) can trace their transactions to EPS.

The “**updated**” October 3, 2021 Release Notes (*Change 3.0*) document is attached and also available via PostalPro @ <https://postalpro.usps.com/october-03-2021-release-notes>. As protocol, after software changes have been implemented, **pre-release** documentation (*Pre-Release Notes*) transitions to **post-release** documentation. Accordingly, today’s (*Change 3.0*) edits include modifying text references in the Release Notes to reflect post-implementation (*past-tense*) language. There were NO CHANGES to release content.

[**NOTE:** Time-Limited Price Change 2021 is **effective TODAY** (Sunday, October 3, 2021) through Saturday, December 25, 2021.]

All Business Service Administrators (BSAs) should forward this Industry Alert (as well as the attached Release Notes document) to their impacted stakeholders.

During normal business hours, please direct any inquiries or concerns to the Mailing and Shipping Solutions Center (MSSC) via eMail [MSSCAdmin@usps.gov] or telephone [(877) 672-0007].
