Non-Standard Fees and Dimension Noncompliance Fees Implementation Delayed

The United States Postal Service provided notice today to the Postal Regulatory Commission (PRC) of our intention to delay the implementation of the Non-Standard Fees and Dimension Noncompliance Fees currently under PRC review. We explained that the implementation will be delayed until April 3 to provide the industry with additional time to plan and adjust for these changes. This brief delay also aligns with our intent to be judicious in our pricing decisions and responsive to the needs of our customers.
