## [REMINDER: FEB-03-2022: DELAYED DATA FEEDS] **USPS Returns and Outbound service via IV-MTR and EPS to IV-MTR**

Tomorrow (Thursday, **February 3, 2022**), from **11:00 AM CT - 3:00 PM CT**, the United States Postal Service has scheduled Commercial System activities consisting of software updates which are critical to our technology infrastructure.

As previously advised, during the cited timeframe, there will be a "brief" impact to **Package Platform and the Enterprise Payment System (EPS)** resulting in delayed receipt of the following datasets:

- **USPS Returns and Outbound** service data feeds via Informed Visibility-Mail Tracking and Reporting (IV-MTR)
  - Pricing Notification
  - Final Notification
- **EPS** data feeds to IV-MTR

Based on assessments of forecasted volume, it is anticipated that impacted data will be current no later than the end of the day tomorrow [Thursday, **February 3, 2022**]. However, following standard protocol - data processing will be monitored; and updated status assessments provided.

We apologize for any inconvenience.

**NOTE: Delivery of packages IS NOT impacted during scheduled system events.**

All Business Service Administrators (BSAs) should alert their impacted stakeholders.

During normal business hours (**7:00 AM CT – 5:00 PM CT**), please direct any inquiries or concerns to the **IV Solutions Center** via eMail [ [InformedVisibility@usps.gov](mailto:InformedVisibility@usps.gov) ] or telephone [ 1-800-238-3150, Option 2 ].

Thank you.
