Paper and the Supply Chain Gang

The National HQ PCC Program Office will be hosting a webinar on ***Paper and the Supply Chain Gang*** on **Thursday, September 1, 2022 at 2:00 PM EDT** with guest speaker, Greg Lovensheimer, Executive Vice-President and Chief Operating Officer, Millcraft.

Having recently celebrated its 100th year in business, Millcraft – an independent, fourth-generation, family-owned merchant serving the professional paper, packaging, and graphic arts industries – certainly has the experience and historical perspective to speak to the unprecedented supply chain challenges confronting our industry today. Greg will share insights on the biggest domestic and global factors impacting the marketplace; what we can expect from suppliers for the rest of 2022 and into 2023 (inventory levels, pricing); how to navigate the supply chain turbulence; new market opportunities; and what Millcraft is doing to protect their business – and their customers' business during this volatile time.
