Phase III: Deployment of Enhancement to Seamless Category 14 - Undocumented Logic

On Sunday 10/30/2022, the USPS deployed a Phase III enhancement to the Seamless Category 14 Undocumented logic. This deployment was to correct an issue that had prevented reporting of Category 14 Undocumented following the Phase II deployment on 8/27/2022. The successful deployment on 10/30/2022 is now allowing mailers to receive Category 14 Undocumented pieces reassigned to their eDoc Submitter CRID Mailer Scorecard.

As a reminder, Category 14 Undocumented is not scheduled to become an assessable error until January 1, 2023.
