CASS Cycle O Implementation Featuring Earl Johnson

Please join the National PCC Program Office on **Wednesday, July 12, 2023, at 2:00 PM Eastern Time** for a virtual session covering the **CASS Cycle O Implementation**. This information will be presented by guest speaker **Earl Johnson** — USPS Director, Addressing & Geospatial Technology.

The United States Postal Service (USPS) CASS (Coding Accuracy Support System) Cycle O is a critical update that affects how mailers process and validate their addresses. This update includes a significant change that impacts the way address matching is performed, making it more accurate and efficient.
