Discount Amounts

### 3% Discount

- **Personalized Color Transpromo**

### 4% Discount

- **With Reply Mechanism**

The discount is calculated in PostalOne® and applied to the postage statement at the time of mailing. The discount is deducted from the postage amounts of qualifying product categories that are paid at the time of mailing. Normal postage prices listed in the published Price List (Notice 123): apply to the mailing and the discount is applied to those prices.

*Only one promotion discount can be applied to a mailpiece or mailing. The use of multiple qualifying features on or within a mailpiece will not increase the discount amount. Inbound pieces for the IMbA Promotion are considered their own mailing. The outbound mailing distributing the QBRM pieces is eligible to receive a discount if it meets the requirements for one of the other promotions.*

"Mail diversion" messages included on the mailpiece will make the mailing ineligible for the promotion discount, regardless of whether or not the mailing includes qualifying treatment, technique, or technology for the promotion.

MAILING SUBMISSION AND ACCEPTANCE

MAILING SUBMISSION REQUIREMENTS

The discount must be claimed at the time of mailing during the promotion period and cannot be rebated at a later date.

*Only one promotion discount can be applied to a mailpiece or mailing. The use of technology and/or print treatments eligible for other promotion discounts will not increase the discount amount. Inbound pieces for the IMbA Promotion are considered their own mailing. The outbound mailing distributing the QBRM pieces is eligible to receive a discount if it meets the requirements for one of the other promotions.

A Documentation/Postage Statement

Mailings must be submitted electronically via Mail.dat and Mail.XML or Postal Wizard. Mailings that are prepared and entered by an entity other than the mail owner must indicate the owner’s identity in the electronic documentation (“eDoc”). The eDoc must identify the mail owner and mail preparer in the By/For fields by Customer Registration ID (CRID), Mailer ID (MID) or Permit number. Participants will be required to affirmatively claim this promotion in the “Incentive Claimed” section on electronic postage statement submissions certifying each mailpiece meets all eligibility requirements.

B Combined and Commingled Mailings

The promotion discount can be applied to qualifying pieces within a combined or commingled mailing, but the qualifying mail must be submitted on separate postage statements or by mailpiece version.

Only one promotional discount will be applied per mailpiece version (identified by MPU Mail Piece Unit and MPU Segment ID). In a commingled mailing, which may contain multiple mail owners, a mailpiece version must be created for each mail owner. The incentive can be claimed independently for each using the CCR file. If needed, mailers may continue to use either the CSM Postage Group ID or the .mpa Customer Reference ID in order to create separate child statements for the pieces which are eligible for incentives. If a mailer is using the customer reference ID to create separate statements a unique MPA record must be created for pieces which are claiming incentive rates.
