# The Next Generation Package Platform: USPS Ship

## Working Towards Streamlined Enrollment

Simple onboarding to enroll in USPS Ship through the Customer Onboarding Portal (COP)

## Advanced Pricing Logic

Maximizes number of packages priced and results in fewer rejected packages and corrections files

## Postage Adjustments

Automated postage adjustments compares manifested attributes to validate postage

Target date February 2025

## Individual Package Postage

Packages priced timely and accurately using weight, dimensions, entry, packaging captured from Mail Processing Equipment

## End to End Visibility

Access your daily transactions and assessment details through online reports

## Customizable Data Feeds

Subscribe to and tailor data feeds for package level details, transaction details, and more

# Migrating Process

## eVS shippers migrating to USPS Ship

- Contact Sales Rep to start your migration process
- USPS Pilot
  - Enroll in USPS Ship Pilot at least **1 month prior** to joining USPS Ship Live
  - eVS status will remain “Live” while enrolled in USPS Ship Pilot
  - Via BCG, enroll in
    - USPS Ship Reports
    - USPS Ship Disputes and Refund Requests
    - USPS Ship Account Management
    - Informed Visibility (Mailing Services) and set up your IV-MTR data feeds
  - Make sure your NSA is linked to USPS Ship in Panorama
  - Ensure your account management BSA has BSA permissions in your EPS account
  - USPS Ship is not the same as eVS – expect to see some differences
- Going from Pilot to Live
  - Shippers migrating from eVS must Go Live on the **1<sup>st</sup> of the month**
    - Use the [USPS\\_Ship@usps.gov](mailto:USPS_Ship@usps.gov) email to let us know you want to migrate (5 business days notice)
  - eVS status will become “parallel” when enrolled in USPS Ship Live

## PostalPro Ship Guides: [USPS Ship](#) | [PostalPro](#)

The screenshot shows the USPS Ship and Shipping Services pages on the PostalPro website. The top navigation bar includes 'Mailing and Shipping', 'Promotions & Incentives', 'Industry Forum', 'Operations', 'Certifications', 'Resources', and 'Contact'. The main content area is titled 'USPS Ship' and includes a 'Quick Links' section with links to 'eVS/USPS Ship Comparison Fact Sheet' and 'Setting up IV-MTR@ USPS Ship Domestic Outbound data feeds'. Below this, the 'Shipping Services' section is highlighted with a red arrow. It features a sub-header 'Shipping Services' and a description: 'Shipping services help you deliver packages. Shipping online services allow customers to enroll and manage the various package product lines the USPS has to offer. The services currently available are listed below. You may access services directly from here that you have been approved for and request access to those you do not.' A list of services is provided at the bottom, including 'USPS Ship Account Management', 'USPS Ship Disputes and Refund Requests', and 'USPS Ship Reports', each with a 'more info >' link.

# Onboarding Process

## New shippers

Contact your Sales Rep/TIS to complete the onboarding process

Customer Onboarding Portal (COP) onboard to USPS Ship:

- USPS API
- USPS Ship

PostalPro Ship Guides: [USPS Ship | PostalPro](#)

The screenshot shows the USPS Ship guide page on the PostalPro website. The page features the USPS and PostalPro logos at the top left, a search bar, and a navigation menu with categories like Mailing and Shipping, Promotions & Incentives, Industry Forum, Operations, Certifications, Resources, and Contact. The main content area is titled 'USPS Ship' and includes a sub-header 'This new platform provides upgrades to reporting, pricing and visibility as packages move through the mail stream.' Below this, there are two bullet points: 'For Guide to USPS Ship for eVS Shippers - Click here' and 'For Guide to USPS Ship for New Shippers - Click here'. The page also mentions that the Postal Service is hosting bi-weekly webinars on how current shippers can migrate to USPS Ship, and that customers are expected to migrate from the electronic Verification System (eVS®) to USPS Ship. Existing eVS shippers are encouraged to join an upcoming session. Under the 'Upcoming webinars:' section, two dates are listed: 'April 24 at 1:00-2:00 Eastern Time: Overview of USPS Ship and Migration Process. For Presentation Click Here' and 'May 8 at 1:00-2:00 Eastern Time: Overview of USPS Ship and Migration Process. For Presentation Click Here'. On the right side, there is a 'Quick Links' section with several links: 'eVS/USPS Ship Comparison Fact Sheet', 'Setting up IV-MTR® USPS Ship Domestic Outbound data feeds', 'USPS Ship Tech Sheet', 'Pub 199', 'IV-MTR EPS/PPC data feed guide', 'Informed Visibility PPC Data Delegation Form', and 'PPC Data Dictionary'.
