"Good Standing" Vs. Do Not Intercept List

"Good Standing"

MIDs added based on Quality Shipper Score

Pros

• Not financially responsible for fraudulent shipments

• Shipments will not be intercepted

Cons

• MIDs will automatically be removed if score falls below threshold

• Requires monthly Financial Reconciliation for refunds

Do Not Intercept List

MIDs added at direction of shipper

Pros

• Shipments will not be intercepted

• Shipper has complete control over their MID

Cons

• Financially responsible for fraudulent shipments

• MIDs need to be requested to be added
